

INTRODUCING GODPUNK!

UNCOVERING BRU

Name: Alexia Midnight

Alias: Alexia Midnight

Race: Adaptable O-Tier

Abilities: Can conjure blood magic with incantations. Able to create anything with blood. Super strength, speed, durability. Able to shapeshift into creatures of the night. Can fly. Can extend her nails and use them like razor blades or katanas.

Affiliation: N/A

History: Turned by the king of the vampires himself. Dracula was alone in the battle to destroy humanity as he decided he wanted to be a father. He turned into a dying woman who does not know her past life. Now a vampire, Alexia learns a lot from Dracula but refuses to harm the innocent and vows to defeat her kind and any creature of the night who harms the innocent.

GEARING UP!

Xeno-Metal

A man-made form of “Element-X” that imitates some of the same properties in a flawed and unstable way. This substance has a matte Black look and starts out in a live gel form until injected causing the host to form a scaled creature like armor. (Matte black)
